Summer Internship Program Apply NOW!

This unique program will place students in internships with civil legal service providers located outside communities with law schools.

This summer 27 students (3 from each TX law school) will intern in the offices of Legal Aid of Northwest Texas, Lone Star Legal Aid, Texas Civil Rights Project, and Texas RioGrande Legal Aid.

A stipend of \$250/week will be provided to every student.

Academic credit may also be available.

This is a great way to get hands-on legal experience, work with experienced attorneys, and help low-income Texans.
